BRONER METALS SOLUTIONS EXPANDS EASTERN EUROPE TEAM**

**STORY ADDED: 22/10/2007**

**Lucjan Bojdak: wide IT background.**  
bodies across a number of industries.

On 11 October, Watford-based **Broner Metals Solutions** announced further expansion of its team in Katowice, Poland, covering Eastern Europe.

**20 years' experience**

New team member, **Lucjan Bojdak** has been appointed sales manager, bringing more than 20 years' experience in sales, consultancy, project management and implementation. He has extensive experience in Eastern Europe, having worked with large manufacturers, systems integrators and government

He will be using his wide IT background to introduce metallurgical companies to new supply chain planning, scheduling and manufacturing execution systems.

Chief executive officer David Mushin said: 'I believe that this expansion will satisfy the ever-growing demand in the Eastern European Metals market for proven solutions designed specifically for metals producers.'

**Strong team**

Boidak is joining a strong team of engineers and consultants with decades of experience in IT developing, consulting and training for process automation and management control in manufacturing industries.

Part of Hyperion Systems Engineering, Broner Metals Solutions claims to be the world's leading provider of supply chain planning, scheduling and manufacturing execution systems, specifically for the metals industry.
